GPS VEHICLE TRACKING SOLUTIONS

YOUR TOTAL GPS SOLUTION

If you need peace of mind, EnfoTrace has the answer. **EyeOnYou** will locate and control your vehicle with just the click of a mouse, clearly displaying it on a map with comprehensive information. **EyeOnYou** uses Global Positioning System (GPS) to determine the precise location of a vehicle, the vehicle's velocity, travel direction and more. Our easy to use Web based application gives you the power to access all of these features from any computer with an internet connection. Whether its assisting in a Stolen Vehicle Recovery, Teen Drivers or an Elderly Parent, **EyeOnYou** is the solution.

HOUSEHOLD VEHICLE TRACKING

EyeOnYou is designed to inform your household of activities that matter to you. It could be as easy as knowing you have 20 minutes before the hungry crew will be home after a little league game. Or an elderly parent went to the store, and you want to be sure they make it there safely. **EyeOnYou** helps you prepare and ensures your peace of mind.

RELIABILITY

When it comes to products and system reliability EnfoTrace is a superior provider. With online training and 24/7 technical support to answer your questions you won't find a more complete solution.

TEEN TRACKING

New drivers are always a concern for parents. Whether it's wondering where they are, when they are getting to school, or if the vehicle is scheduled for maintenance at a major mileage interval. **EyeOnYou** gives you peace of mind if the keys are locked in the car, a speed barrier you has been exceeded, or you have been alerted by a boundary crossing when they travel too far from home.

ABOUT OUR PRODUCT

The **EyeOnYou** GPS device is an all digital full featured GPS location device with no external antennas. This makes the **EyeOnYou** device the most innovative compact design available in the marketplace.
